इयत्ता दहावी अ व ब – मुलाखत उपक्रम

इयत्ता दहावी अ व ब च्या विद्यार्थ्यांसाठी "समाजातील सामान्य व्यवसाय करणाऱ्या व्यक्तींची मुलाखत घेणे" हा उपक्रम घेण्यात आला.

या उपक्रमाचा मुख्य उद्देश विद्यार्थ्यांना समाजातील विविध व्यवसायांचे महत्त्व समजावून सांगणे, संवाद कौशल्य, प्रश्न विचारण्याची पद्धत व आत्मविश्वास विकसित करणे तसेच आदरभाव, सहानुभूती आणि सामाजिक जाणीव निर्माण करणेहा होता.

सत्राची सुरुवात शिक्षिकेने "चुडीवाला" या पाठातून केली, ज्या मधून विद्यार्थ्यांना समाजातील विविध व्यवसाय आणि त्यांचे महत्त्व समजले. त्यानंतर विद्यार्थ्यांना त्यांच्या परिसरातील सामान्य व्यवसाय करणाऱ्या व्यक्तींची मुलाखत घेण्याचे काम दिले गेले.

विद्यार्थ्यांनी स्वतः प्रश्न तयार करून संबंधित व्यक्तींशी संवाद साधला व त्यांचे अनुभव जाणून घेतले. काही विद्यार्थ्यांनी घेतलेल्या मुलाखतींचे फोटो व व्हिडिओ देखील शिक्षिकेकडे पाठवले.

या उपक्रमातून विद्यार्थ्यांना केवळ संवाद कौशल्य विकसित झाले नाहीतर श्रमाचे महत्त्व, प्रामाणिकपणा आणि आत्मनिर्भरतेची जाणही झाली. विद्यार्थ्यांमध्ये प्रत्येक व्यवसाया बद्दल आदर आणि कृतज्ञतेची भावना निर्माण झाली.

Platinum Highlights: The Inside Scoop

Classroom Activities

Class IX A & B – Science (Physics)
Topic: Force and Laws of Motion

Students of Class IX A & B conducted a Science (Physics) activity on Force and Laws of Motion to understand Newton's First Law. Using simple demonstrations, they observed how objects resist changes in their state of rest due to inertia. In one activity, a coin placed on a card over a cup fell straight into the cup when the card was flicked. In another, stacked cups with a card in between remained in place when the card was removed. In the final activity, a dart knocked away a cup while a ball placed on top continued its motion downward. These activities helped students clearly relate the concept of inertia with Newton's First Law of Motion in a fun and practical way.
